

FIBC BAGS

COMPANY PROFILE

SEIZON FIBC LLP is one of the leading manufacturer and supplier of wide range of FIBC (Flexible Intermediate Bulk Containers) bags like Pharma Grade, Baffle, UN Certified, U Panel, 4 Panel etc. with highly advanced machinery, and an advance equipped quality control laboratory managed by highly experienced and expertise staff.

SEIZON FIBC LLP excel at the craft of bulk packaging, which is accentuated by their integrated in-house processing, from extruding our own tapes to packing of finished FIBC until in house fabric and webbing, which enables us to prioritize customer needs and satisfaction, thereby ensuring unyielding texture and precision In terms of quality.

The world is changing, and so are we. By harnessing newer technologies and staying committed to innovations that exceed client expectations, we are strongly working towards becoming the global leader in the FIBC.

SEIZON FIBC LLP!

About us

Mission

To equip global companies with provisions to manage their packaging needs and become the leading producers of FIBC Jumbo Bags.

Our network

The strength of a network is found in the ability to increase its competitive strength, which is why SEIZON FIBC LLP is seeking partners in our network that are sustainable, social, product leaders, customer Focused, innovative, trend setters, flexible, transparent, reliable and ethical.

Quality

Our Quality commitment to hygiene and cleanliness ensures industrial clean bags and food grade FIBC that are sanitized and free from contamination, germs, dust and pollutants. We deliver product with consistent quality and strength as per the customer requirement.
